

# Community and Conservation Fund

## Summaries of Projects Awarded Funding 2016-2017

### 6 Projects totalling £3,037

- 1. Heritage Suffolk/Suffolk County Council**  
**Anglo-Saxon Rendlesham Conference** **£500**  
Anglo-Saxon Rendlesham is a public day conference. It will present the internationally important archaeological discovery of a Royal palace near to, and associated with, the Sutton Hoo burial mounds.
- 2. Blaxhall Commons & Open Spaces Charitable Trust**  
**Environmental Assessment** **£800**  
To carry out an environmental assessment of common land in Blaxhall and to generate a management plan by which the ecological and social benefits of that land will be enhanced and preserved.
- 3. East Anglian Sailing Trust**  
**Discovering Water Safely** **£500**  
Water safety and conservation of the Orwell Estuary, at two workshops in May 2016.
- 4. Waldringfield Parish Council**  
**Bicycle Parking Rack** **£325**  
To install a bicycle parking rack at the river end of the village to encourage residents and visitors to cycle rather than drive to the riverside and adjacent countryside.
- 5. Waldringfield Parish Council**  
**Information Board for River Footpath** **£325**  
Manufacture and erection of a metal lectern style information board to inform visitors about the ecology, wildlife and footpath routes along the River Deben north of Waldringfield.
- 6. Felixstowe Ferry Residents Association**  
**Bollard Replacement** **£587**  
In the main to replace bollards (with some new) around the land adjacent to Felixstowe Ferry Golf Course to prevent parking in wildlife areas.
