

Galloper Wind Farm Fund 2022-23 projects awarded funding

Six projects were awarded £11,350

1 Royal British Legion Band Awarded £2,000

Refurbishment of Ex Service Club, Leiston:

The Royal British Legion Band, Leiston took on the Ex-Service Club, which had fallen into a state of disrepair. This grant award supports refurbishment costs for insulation and lighting to turn the building into a useable community hub.

2 Leiston Community Land Trust Awarded £2,000

Leiston Church Square Community Garden:

To ensure that visitors and the local community get to enjoy the highest level of benefits from the Leiston Church Square Community Garden by ensuring that the facilities reach their full potential. This grant award supports a Project Manager role to co-ordinate community events and activities, a cycle rack, interpretation board, and garden equipment.

3 Suffolk Wildlife Trust Awarded £2,428

Wild Beach Leader:

A 3-day accredited training course, delivered by Suffolk Wildlife Trust to six teaching staff local to Sizewell Beach to equip them with the expertise to run outdoor, marine based, learning activities to children at their schools.

4 Alde Valley Academy Awarded £500

SEND Sensory Garden/Vegetable Garden:

This grant supports a garden for Alde Valley Academy SEND students – for growing vegetables and completing hands on activities in the fresh air.

5 Creative Curve Awarded £2,000

The Fens Commonland:

Heritage project focused on supporting & preserving Commonland known as 'The Fens', between Aldringham/Thorpeness. The Fens has a SSSI designation & well used footpath network. The grant award supports engagement with and production of a sculptural interpretation and community panel.

6 1st Leiston Scout Group Awarded £2,422

Upgrade heating for Leiston Scout Group:

To upgrade the heating system of the Scout hut to replace the electric fan wall heaters which are over 20 years old.
